HOURS OF OPERATION

Tues-Sat: 12am-8pm
Sun-Mon: Closed

1. Remove Saran Wrap about an hour after getting your tattoo.
2. After removing Saran Wrap, gently wash your tattoo with **Dial Liquid Gold** antibacterial soap.
3. Continue to gently wash your tattoo with the Dial soap **2 or 3 times a day for the next 2 weeks.**
4. After washing, apply a thin layer of tattoo approved lotion to the tattoo.
5. **Do not** use any scented soaps or lotions on the tattoo while it's healing.
6. Your tattoo will scab and itch as it heals. **DO NOT** scratch the tattoo or pick scabs.
7. **DO NOT** go swimming or soak in the tub until your tattoo is healed.
8. Try to keep your tattoo **out of the sun** while it's healing.
9. **DO NOT** use antibiotic ointment on your tattoo unless it has become infected and a medical professional has told you to use it.
10. **DO NOT** use rubbing alcohol or hydrogen peroxide on your healing tattoo.
11. You get one free touch up as long as you schedule your touch up **within one year** of getting your tattoo.

If you have any questions or concerns, please contact the studio and *we will be happy to assist you.*
